STUDENTS OF GOVT.DGREE COLLEGE, UDHAMPUR VISIT SCIENCE EXPRESS-CLIMATE ACTION SPECIAL TRAIN

04-03-2017: Govt. Degree College Udhampur in collaboration with District Health Department Udhampur organized a symposium on the topic "Save the Girl's Child" under the mission "Beti Bachao Beti Padhao". Prof. Rakesh Kumar Gupta, Head Department of Zoology, welcomed the Chief Medical Officer Udhampur Dr. Chander Parkash and officials of Health Department. The speakers expressed their views over the topic and lauded the role of women in all spheres of life. They also showed concern for violence against women, sexual abuse, dowry system and other related issues which are posing hurdles in their development. While expressing their views to save the girl child they asked the huge gathering of students to be the ambassador to propagate the awareness among the common masses. On this occasion Dr. Chander Parkash, Chief Medical Officer in his address to the students elaborated in detail about various measures to save the girl child on issues related to Healthy life style, harmful effects of drugs and various schemes and free treatments available at Hospitals of District Udhampur provided by the health department to the general public.

In the symposium Ms. Uzma, Ms. Sarita Devi and Mr. Vikas Kumar were adjudged as first, second and third respectively whereas Ms. Afida and Mr. Kashish Mahajan got the consolation prizes. Prof. Vishal Sharma and Prof. Rohit Bamotra were the jury members.

Dr. Udhey Bhanu proposed the vote of thanks and Prof. Suresh Kumar Dogra conducted the proceedings of the symposium.

Prof. Romesh Kumar Atri, Prof. Kamal Kishore, Dr. Ajay Sharma, Prof. Jawaid Sarver were also present.
